

# ASCA MEETING MINUTES

## Native Grill & Wings

Date: January 11, 2018

Meeting called to order at 17:40pm

### **Roll Call**

All board members in attendance with the exception of Jonathan McCraw. Justin Morris is also in attendance to discuss his possible role on re-designing and updating our website.

**Minutes:** previous meeting minutes not recorded for review at this time

**Public forum:** None at this time

**Committee reports:** None to report at this time

### **New Business:**

-Mark LeResche requested that anytime association business is discussed via email amongst members that all ASCA board members are copied on those emails.

-Allan announced to the board that ASCA Inc. has been approved and granted

501c(4) status

**Website:**

-Website Committee- Terry V., Richard Edie

-Open discussion amongst the entire BOD, Justin Morris and Committee members of website expectations. Some of the key improvements needed are updated photos, events, Facebook page link, a shoot promoters page with contact information and overall updating and maintaining of the site so that it is member friendly. Richard Edie suggests a shooters events page that will allow a shooter to see the events, review the shoot flyer for the event, register for the event and go back afterwards and view scores all on one page. Justin said he will send the board a proposal that will offer 3 potential avenues the board can take with the website and the board can vote on which avenue would work best for their needs.

-Terry V. mentioned that he feels we should give Millie Hartnett some sort of "gift" for her efforts with maintaining the website for the past two years. Allan suggested a \$100 gift card to Shula's and the board agreed and voted unanimously. Tim Miles said that Coyote Springs will also give her 500 targets as a thank you for all her hard work.

-2018 ARIZONA STATE SHOOT

Sponsorships-

- Sponsorship packages (handouts from last meeting)
- What, if any, have already been secured? At this time we have secured Dillon Precision for a SL900 reloader, FIOCCHI Ammunition for 10 cases of 12g shotshells, Iron City Polaris for \$1000, Rio

Salado Sportsman's Club for \$1000 and entries in to some of their tournaments, Picacho Sporting Clays for \$500, White Flyer for \$500 and Gebben Miles for an undisclosed amount.

ZZ birds- Current status with Tim M. was discussed but the details have not been cemented yet

The following breakdown of back to class money and the \$10,000 added money was reviewed and agreed upon unanimously from the board. This is the same breakdowns we used in the 2017 State Shoot.

Back to class money-

- Included in registration fees

- \$20 back to class for 200 bird Main Event

- \$10 back to class for all 100 bird events (FITASC, 5-Stand)

- \$5 back to class for all 50 bird events (Super Sporting, daily 5-Stands and sub gauges)

Payouts- how to distribute the \$10,000 added money

- Same scenario as 2017?

- Payout \$10,000 added monies distributed in both the Main event and FITASC event only

- \$450 to HOA for the Main Event and FITASC

- \$300 to Runner-up Main Event and FITASC

- \$7450 to class and \$1800 to concurrents

\* \$159.64 to 2<sup>nd</sup> in each class for each event (30% of monies)

\* \$106.43 to 3<sup>rd</sup> in each class for each event (20% of monies)

- \$150.00 to each of the 6 concurrent classes (1<sup>st</sup> in class only)

#### Awards-

Allan and Mark L. suggested the following program for awards for the 2018 State Shoot:

- Sportsman's Warehouse gift cards in lieu of trophies

- gift cards can be used for purchase of wanted items instead of obtaining a trinket?

- gift cards are reusable if not collected and/or if no participants were in certain classes.

- can be redistributed for other future events/giveaways

- offer a \$15 gift card to all 1<sup>st</sup> place class winners in sub gauge events. We usually do not give trophies in these events.

- Sportsman's has been a big sponsor for us in the past years. Using them will further that relationship and can be used as leverage for obtaining future sponsorships and giveaway items from them.

-Gift card option (Includes a trophy/belt buckle for HOA & RU for both resident and non-resident in the Main, FITASC and 100 bird 5-Stand (12 total awards))

-Main Event and FITASC

-Resident Champion \$150

-Resident Runner Up \$100

-Non-Resident Champion \$150

-Non-Resident Runner Up \$100

-Resident awards for 1<sup>st</sup> and 2<sup>nd</sup> in each class \$75 1<sup>st</sup>, \$50 2<sup>nd</sup>

-Non-resident awards for 1<sup>st</sup> in each class \$75

-Concurrent award for 1<sup>st</sup> in each class \$50

-100 bird 5-stand

-Resident awards for 1<sup>st</sup> and 2<sup>nd</sup> place in each class \$75 1<sup>st</sup>, \$50 2<sup>nd</sup>

-Non-resident awards for 1<sup>st</sup> in each class \$75

-Concurrent award for 1<sup>st</sup> in each class \$50

-All 50 bird 5-stands, sub gauge and Super Sporting events \$15 1<sup>st</sup>

**Total cost= \$6940 (not including cost of the 12 trophies/buckles)**

Instead of trophies/buckles Tim Miles suggested RTIC Tumblers for winners and runner-ups for the main event, FITASC and 100 bird 5stand. Allan said he has a vendor that can engrave Tru-Flask tumblers with the winning verbiage along with the ASCA logo.

Tim Robinson motioned to vote on the proposal, Allan 2nd and the awards proposal passed unanimously

## ASCA sponsored Super Sporting

-Shooter will receive a free Super Sporting event if they shoot both the main and FITASC

The following are items that we need to assign to board members:

- T-Shirts- acquire sponsor logos, aid in T-shirt design, pick up  
Tim Miles will assist with the ordering of the shirts
- Banners & Station sponsor signs- acquire sponsor logos, aid in design, pick up and deliver to Tucson prior to event.  
Richard Edie will handle the banners and station signs again this year.
- Trophies or Gift Cards (view, order, pickup, sort, distribute at awards ceremony & mail all unclaimed awards)- Allan and Mark L.
- Shoot numbers- Allan
- Giveaway bags- Allan

What can we do better this year versus past years?

We discussed what we can do to improve this year. One way was to speed up the raffles and the way we do the prize tables at the banquet. Lots of suggestions on various ways we can alter the raffle but nothing was decided upon at this time and will be re-visited at the next meeting.

-Amending of By-laws

- Close any holes/loopholes in bylaws
- Change verbiage ex. "club" to "range"
- Bylaw committee

We discussed forming a bylaw committee to clarify some of the verbiage within our bylaws. The committee will essentially conduct some "housekeeping" to clean up the bylaws. This too will be further discussed at the next meeting.

#### -Small Club Challenge (Richard Edie)

Richard would like to change the name to something like "Rural Arizona Challenge". Venues and dates have not yet been determined

-Statewide scoring program ex. Winscore? The board discussed the importance of Winscore (or a similar program) from a shooters standpoint for ease of registration and reviewing of scores. The BOD is encouraging all clubs to use Winscore or a like program in the future.

#### -Range Representatives

At the last meeting the BOD voted in a representative for each of our member ranges. This person is the SPOC for the range and will communicate directly with the board for all ASCA matters including shoot dates for that range. Due to a misunderstanding the BOD voted in Bill Lagusis to be the range representative for Rio at our last meeting. Terry Abbott let the BOD know that Rio's board had appointed Terry to represent Rio within the ASCA. Tim Robinson motioned to hold a re-vote for the representative for Rio, Gary Yee 2<sup>nd</sup> and the board voted and approved Terry Abbott as the range representative for Rio Salado Sportsman's Club.
