Sponsorships-

- Sponsorship packages (handouts)
Allan handed out the sponsorship packages. The only change from the years past is that we are requesting that our Gold and Platinum sponsors donate at least 50% of their donations in cash. In the past the sponsors can donate their choice of cash and/or merchandise equaling the required amount for their donation level.

What, if any, have already been secured?

Fiocchi Ammunition has donated 10 flats of ammo for our raffle prizes, Qmaxx donated 2 bottles of Blu and 2 Blu pens, Rio Salado Sportsman's Club donated \$1000 in cash along with certificates for future shoots, range bags with ammo and other shooting accessories, Micki's Shooters Supply has committed to being a sponsor as well as Iron City Polaris and Picacho Sporting Clays.

Gary Yee mentioned some businesses that he was going to solicit

We all need to be soliciting business for sponsorships, station sponsors and/or raffle prizes

Allan asked that when securing sponsors please get their business logo and information and email it to him. We need this for T-shirts, banners and all other marketing materials

ASCA sponsored Super Sporting-

The ASCA will sponsor a 50-bird Super Sporting event to all competitors that shoot both the Main Event and FITASC. Shooters must shoot both of these events to receive the sponsored Super Sporting.

The following are items needed to be assigned to a board member to complete for the State Shoot. We asked for volunteers to take care of the following.

- T-Shirts- acquire sponsor logos, aid in T-shirt design, pick up- Mark LeResche said he would take this task
- Banners & Station sponsor signs- acquire sponsor logos, aid in design, pick up and deliver to Tucson prior to event.- Richard Edie said he would take on this task
- Trophies (view, order, pickup, sort, distribute at awards ceremony & mail all unclaimed awards)- Mark LeResche along with Mark Madson will handle this task
- Shoot numbers- Allan done
- Giveaway bags- Allan done
- Stainless steel ASCA logo tumblers- We discussed giving away ASCA logo double walled stainless steel tumblers in lieu of State Shoot pins. Allan showed a sample of a tumbler that he received from Promos Direct. Everyone present liked the idea and the tumbler sample.
